FOR IMMEDIATE RELEASE
November 6, 2013

HUNGER & HOMELESS AWARENESS WEEK

Together we can fight homelessness

Chillicothe, Ohio, November 6, 2013– November 16th through November 24th is National Hunger & Homeless Awareness Week. Seeds of Hope will be fighting back by raising funds and awareness in Ross County.

“Part of solving a problem involves the magnitude of its existence. Homelessness is a major issue in Ross County and we are the solution. Come learn about what you can to do make a difference” ~Jack Waters Executive Director

On November 16th we will be having a Craft Bazaar to kick off the week. Following that will be a series of events, donation drives, and 10% days sponsored by local businesses—where each business pledges to give 10% of that day’s profits to Seeds of Hope. (Please see the attached calendar for more details).

“I’m extremely excited to see how our efforts can raise awareness in Ross County and in turn help change lives.” ~Briana Hood Marketing Director

Together as a community we can take hopeless situations and turn them into hopeful futures.
